Dear Author, ***Research Trentz***, which is now the owner company of Quality - Access to Success, requires language and content editing of all the submissions before publishing the accepted articles. This service, which costs $450, is definitely essential to complete the process of publication. This does not mean that Quality - Access to Success is a paid journal, which accepts all submissions for $450. It is just opposite. Most submissions are rejected in the pre-editorial stage if they do not meet the academic quality criteria of ***Research Trentz***. Please, let us know if you may wish to continue your submission process. Your prompt response is highly appreciated. Best regards. Editor in Chief	ismailhakkimirici 2023-03-12 09:09 PM
